**I like the following story! It was an excellent way for the flight attendant to handle a problem on an airplane. Please read and later you will understand how it relates to Dearborn, Michigan.**

### ***Man Refuses Seat Beside Woman Reading Bible***

*It was a typical airline flight like any other — until one elderly Christian woman was insulted for her faith.*

*Now, the flight attendant who stepped in is facing controversy for the way she handled the situation.*

*Two major airline companies have recently come under fire after the world witnessed their lack of care and blatant abuse of their customers.*

*But I must admit, when I read this story, I couldn't help but smile.*

*The young flight attendant in this situation stands head and shoulders above the rest and it's no wonder this Facebook post has been shared over 83,000 times!*

*The altercation reportedly began when a middle-aged man arrived at his seat on a crowded flight but refused to sit down.*

*His seat was next to an elderly white woman reading her Bible.*

*Disgusted, the Muslim man immediately summoned the flight attendant and "demanded another seat."*

*The outraged man proceeded to tell the young flight attendant that he refused to sit next to an "infidel."*

*So, the flight attendant did what any good customer service representative would do and explained that she would try to find another seat.*

*After searching for a seat, the flight attendant returned and reportedly stated: "There are no more seats in economy, but I will check with the captain and see if there is something in first class."*

*Almost 10 minutes later, the flight attendant returned and explained that she had found one available seat.*

*The flight attendant continued: “It is our company policy to never move a person from economy to first class but being that it would be some sort of scandal to force a person to sit next to an unpleasant person, the captain agreed to make the switch to first class.”*

*Before the outraged man could reply, the attendant gestured to the elderly Christian woman with the Bible and continued: “Madam, if you would so kindly retrieve your personal items, we would like to move you to the comfort of first class as the captain doesn’t want you to sit next to such an unpleasant person.”*

*It didn’t take long for passengers in the surrounding seats to applaud, while some even gave a standing ovation for the flight attendant.*

*I couldn’t agree more with the brave flight attendant’s decision to defend this elderly woman and her faith! Thank God for this brave flight attendant – our world needs more like her! This story is a breath of fresh air!*

**Dearborn, Michigan has much greater percentage of Arabs and Muslims than any other big city in the United States. Let’s learn more about this city and the surrounding area - metro Detroit.**

**Over the past few years, Americans have gradually begun to realize that there’s something rotten in the state of Michigan. After numerous incidents, there is no denying that Michigan has a problem, and it’s coming from its fast-growing Islamic population.**

**Many Americans have heard the horror stories coming from certain areas in Michigan, specifically Dearborn and Hamtramck, which have become inundated with Arabs and Islamic migrants.**

**Hamtramck is almost a completely Muslim community**

**Hamtramck, population 23,000, is a majority-Muslim city and is governed by only Muslims while Dearborn is considered the “Muslim capitol of the US,” with a population over 50% Islamic, and is home to America’s biggest Mosque (See header picture on page 1). In fact, it is the largest mosque in North America and the oldest Shia mosque in the United States. With its large Shia Arab population, Dearborn is called the "heart of Shiism" in the US.**

**The annual Arab-American Festival in Dearborn was permanently cancelled a few years ago after Christians were beat up and had rocks (stones) thrown at them by Muslims at the festival. The lawsuit that resulted from the attack rendered the festival impossible to insure after that and forced its cancellation.**

Now, Michigan may be headed towards becoming the first state in American history to elect a Muslim governor, a man named Dr. Abdul el-Sayed. At only 34, el-Sayed has accomplished a lot already; he's a doctor, a teacher, and was a candidate for the governor of one of the largest states in the US.

**Dr. Abdul el-Sayed**

*Note: The 2018 election results just come out as I wrote this article. El-Sayed didn't win the governor race this year. Democrat Gretchen Whitmer did.*

*Eight years of Republican control has come to an end in Michigan. Democrat Gretchen Whitmer, the former Senate minority leader from East Lansing, defeated Republican Attorney General Bill Schuette in the race to replace outgoing Gov. Rick Snyder.*

What's troubling is that el-Sayed is backed by the Muslim Brotherhood, a terrorist organization, and would be stepping into a position of extreme power in a state that is already experiencing a massive threat of Islamic takeover. The thing is, the Muslim Brotherhood, who has been quite clear on their goals of taking over the United States, uses people like Doctor el-Sayed to achieve power, and then begin working to dominate host areas.

A governor like el-Sayed, in an already Islamic-heavy area such as Michigan, could be just the foothold the Muslim Brotherhood needs to begin establishing laws that are formed around Islam, and then working towards their implementation in the rest of the country. El-Sayed is the perfect candidate for them: he's well received by many, speaks well, without an accent, and has a very "Barack Obama" like charisma that will certainly be used to his advantage. By using a "Trojan horse" figure like Dr.

**Abdul el-Sayed, the Muslim Brotherhood is one step closer to achieving their goals for an Islamic takeover of the United States, as was clearly outlined in documents found by the FBI a few years ago.**

## **Muslim Brotherhood's Plan to Take-Over America**

*The Muslim Brotherhood's strategic 30-year plan for taking over America from within was a closely-guarded secret until the FBI raided a house in Annandale, Virginia, where agents found a disturbing bundle of documents containing a blueprint for the Muslim takeover of our country. Now that the cat is out of the bag, we must do everything in our power to expose what's going on, as startlingly, these American-hating vermin are in the final phase of their 5-step plan to destroy our country.*

*Twenty-seven years ago, Muslim Brotherhood leader Yusuf al-Qaradwai traveled to America to organize Muslims across America, educating them with his diabolical plan for the complete Muslim takeover of America that would take 30 years to complete. It included a key tactic known as "Muruna," where Muslims are able to violate Sharia Law in order to convince Americans that they are just like us. Just like an Ebola virus, Muruna is extremely effective, as Muslims are now able to seamlessly integrate into every facet of our society, as they make their way into our public school systems, our federal and law enforcement agencies, and key positions within our government.*

*But due to the raid, their game is up. Now that their highly-guarded secrets are out, we as Americans must stand up and expose what's going on, while doing everything in our power to stop their rapidly approaching plans from coming to fruition.*

*While the Muslim Brotherhood in America would love for everyone to believe they're just a peace-loving group of Islamists, nothing could be further from the truth. Their recently-discovered plans for America is highly chilling, where documents reveal what's called a "civilization-jihadist" process, where American Muslims are actively destroying*

*western civilization from within, as they seek to make Islam recognized in our courts and schools, bullying their way with political correctness which has proven to be a highly-effective tool. Here's their 5-phase plan, and disturbingly, they are now in the final phase of their mission:*

*“Phase One: Phase of discreet and secret establishment of leadership.*

*“Phase Two: Phase of gradual appearance on the public scene and exercising and utilizing various public activities (It greatly succeeded in implementing this stage). It also succeeded in achieving a great deal of its important goals, such as infiltrating various sectors of the Government. Gaining religious institutions and embracing senior scholars. Gaining public support and sympathy. Establishing a shadow government (secret) within the Government.*

*“Phase Three: Escalation phase, prior to conflict and confrontation with the rulers, through utilizing mass media. Currently in progress.*

*“Phase Four: Open public confrontation with the Government through exercising the political pressure approach. It is aggressively implementing the above-mentioned approach. Training on the use of weapons domestically and overseas in anticipation of “zero hour”. It has noticeable activities in this regard.*

*“Phase Five: Seizing power to establish their Islamic Nation under which all parties and Islamic groups are united.”*

*While that is their general overall plan, the document that was seized in the raid reveals a chilling insight into their operations, mindset, planning, and vision of the Islamic movement rapidly taking over North America. Via Shariathreat.org:*

- Expanding the Muslim presence by birth rate, immigration, and refusal to assimilate;*
- Occupying and expanding domination of physical spaces;*
- Ensuring the “Muslim Community” knows and follows MB doctrine;*
- Controlling the language we use in describing the enemy;*
- Ensuring we do not study their doctrine (shariah);*
- Co-opting key leadership;*
- Forcing compliance with shariah at local levels;*
- Fighting all counterterrorism efforts;*
- Subverting religious organizations;*
- Employing lawfare – the offensive use of lawsuits and threats of lawsuits;*
- Claiming victimization / demanding accommodations;*
- Condemning “slander” against Islam;*

- *Subverting the U.S. education system, in particular, infiltrating and dominating U.S. Middle East studies programs;*
- *Demanding the right to practice shariah in segregated Muslim enclaves;*
- *Demanding recognition of shariah in non-Muslim spheres;*
- *Confronting and denouncing Western society, laws, and traditions; and*
- *Demanding that shariah replace Western law. Note that many of the foregoing techniques entail, in one way or another, influencing and neutralizing the American government at all levels.*

*What's alarming is that not only are these terrorists close to reaching their goals for the complete takeover of our country, but liberal politicians across America are drastically speeding up the process. President Trump as we know has been trying to implement a ban to keep terrorists from infiltrating our country under the guise of being "refugees," but we still have these mindless morons advocating to bring these vermin in, as they're now joining forces with Muslims in America in anticipation of "zero hour," where their sleeper cells will be activated and the complete annihilation of our country will ensue.*

**THIS IS GETTING SCARY!**

**The Islamic Agenda Does Not Stop with The United States**

Islamic Muslim expansions have unfolded across the world, throughout history, and many Western countries are experiencing their own struggles with this very thing today.

**DOES ISLAM PLAN TO RULE THE WORLD? YES – ISLAMIZATION OF THE WORLD STARTED A LONG TIME AGO AND CONTINUES TO THIS DAY.**

**“Islam is a revolutionary faith that comes to destroy any government made by man. The goal of Islam is to rule the entire world and submit all of mankind to the faith of Islam. Any nation or power that gets in the way of that goal, Islam will fight and destroy. In order to fulfill that goal, Islam can use every power available every way it can be used to bring worldwide revolution. This is jihad.” Syed Abul Ala Mawdudi (1905-1979) - world-renowned Islamic scholar who traced his paternal ancestry to Mohammed.**

**If you hear that Islam’s goal is NOT to rule the world—DO NOT BELIEVE IT.  
If you hear that Islam’s goal is NOT to take over America—DO NOT BELIEVE IT.  
If you hear that Islam is a religion of peace—DO NOT BELIEVE IT.**

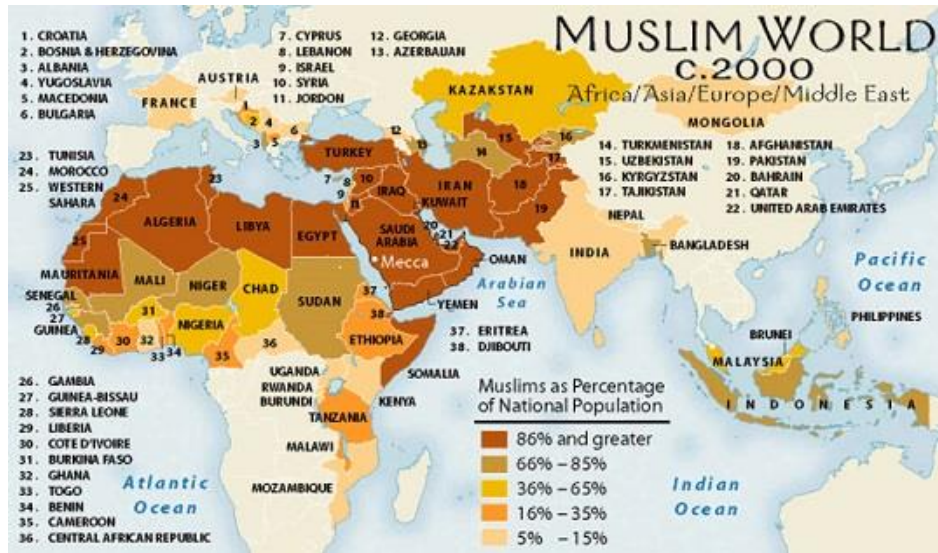

**These statements may seem harsh and unforgiving, but they are true. They have been true ever since 630 A.D. when Mohammed, the founder of Islam conquered Mecca and unilaterally declared Islam to be the only true religion ordained to govern the world. He decreed the spread of Islam to all non-Muslim individuals and nations—by force, if necessary.**

### **ISLAM’S SUPREME LAW**

**Mohammed claimed he received his instructions from Allah through the angel Gabriel. He recorded them into what is now known as the Koran, Islam’s Constitution and supreme law. Muslims are expected to adhere to the Koran’s teachings along with the Hadith, the reported sayings and acts of Mohammed, and the Sira, the collection of the official biographies of Mohammed. These three collections form the foundation for Muslim’s religious practices and culture known as Sharia, the entire body of Islamic law. Muslims view Islam as the only true religion, which calls for the eradication of all other religions and governments.**

**From his grave and through his writings, Mohammed demands that Muslims invade and conquer nations throughout the world, eradicate human rights and freedoms, and set up Sharia law. Muslims must obey or face death. Jihad is not optional.**

**Islamization of the world began in Mecca and spread first to the Middle East and South Asia. It is hard to believe, but Egypt once was rich with Judeo-Christian history with stories of Moses and the exodus of the Israelites. After the Arab invasion in 641 A.D., the majority of Egypt’s population has converted to Islam, consistent with Mohammed’s instructions – by force. Now, Egypt is at least 90% Muslim. The rest of northern Africa has gradually become mostly Muslim, mostly by force.**

Hindus once made up over 25% of **Pakistan**'s population. Today, under Muslim rule, the Hindu population is less than 1%. Pakistan has the second largest per capita Muslim population in the world after Indonesia.

For hundreds of years, **Afghanistan** was largely a Buddhist nation. That all changed when the Islamic rebels known collectively as the Mujaheddin took control in 1992. But, even the Mujaheddin was no match for the Islamic fanatics, Osama bin Laden, and the Taliban who took control of the country in 1996. Afghanistan is now a nation that breeds and shelters Islamic terrorists. It is 99% Muslim.

## WESTERN EUROPE

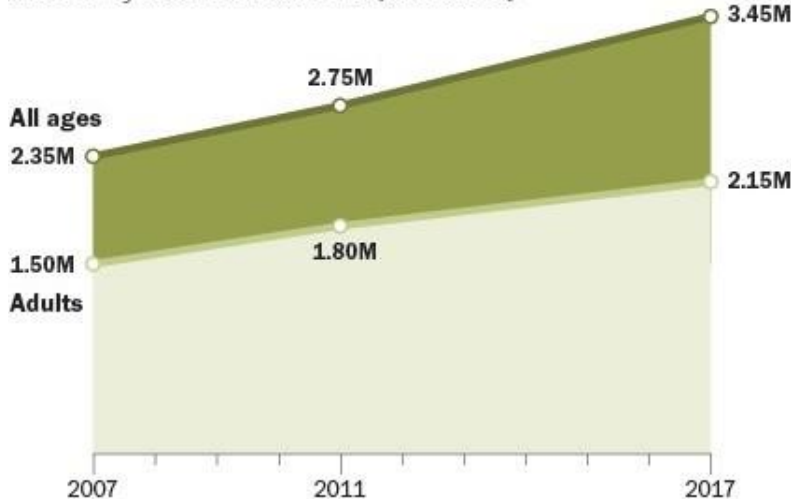

Muslims are still a minority in the West, but their growth rate is alarming. In 1900, there were only about 50,000 Muslims in Western Europe. Today, Muslims made up 5% of Europe's population with an estimated 26 million people across 30 countries, up from 19.5 million people in 2010.

## AMERICA

### Number of Muslims in the U.S. continues to grow

Number of Muslims in the U.S. (in millions)

The largest concentration of Muslims in America is in (you guessed it) – Dearborn, Michigan and the surrounding metro-Detroit area. This is the Islamic headquarters where, as we learned earlier, the plan is already in motion to take over America.

## Are you familiar with Islam's Sharia Law?

### Sharia Law

*Islam's Sharia law is cast from the words of Muhammad called "hadith," his actions, called "sunnah," and the Quran, which he dictated. The Sharia law itself cannot be altered but its interpretation, called "fiqh," by muftis (Islamic jurists) is given some latitude.*

*As a legal system, the Sharia law is exceptionally broad. While other legal codes regulate public behavior, Sharia regulates public behavior, private behavior, and even private beliefs. Compared to other legal codes, the Sharia law also prioritizes punishment over rehabilitation and favors corporal and capital punishments over incarceration. Of all legal systems in the world today, the Sharia law is the most intrusive and restrictive, especially against women. According to the Sharia law:*

- *Theft is punishable by amputation of the hands.*
- *Criticizing or denying any part of the Quran is punishable by death.*
- *Criticizing Muhammad or denying that he is a prophet is punishable by death.*
- *Criticizing or denying Allah is punishable by death.*
- *A Muslim who becomes a non-Muslim is punishable by death.*
- *A non-Muslim who leads a Muslim away from Islam is punishable by death.*

- *A non-Muslim man who marries a Muslim woman is punishable by death.*
- *A woman or girl who has been raped cannot testify in court against her rapist(s).*
- *Testimonies of 4 male witnesses are required to prove rape of a female.*
- *A woman or girl who alleges rape without producing 4 male witnesses is guilty of adultery.*
- *A woman or girl found guilty of adultery is punishable by death.*
- *A male convicted of rape can have his conviction dismissed by marrying his victim.*
- *Muslim men have sexual rights to any woman/girl not wearing the Hijab.*
- *A woman can have 1 husband, who can have up to 4 wives.*
- *A man can marry an infant girl and consummate the marriage when she is 9 years old.*
- *Girls' clitoris should be cut.*
- *A man can beat his wife for insubordination.*
- *A man can unilaterally divorce his wife; a wife needs her husband's consent to divorce.*
- *A divorced wife loses custody of all children over 6 years of age or when they exceed it.*
- *A woman's testimony in court, allowed in property cases, carries 1/2 the weight of a man's.*
- *A female heir inherits half of what a male heir inherits.*
- *A woman cannot speak alone to a man who is not her husband or relative.*
- *Meat to eat must come from animals that have been sacrificed to Allah - i.e., be "Halal."*
- *Muslims should engage in Taqiyya and lie to non-Muslims to advance Islam.*

**HOW WOULD YOU LIKE TO LIVE BY THOSE LAWS?**

Okay, back to Dearborn which is located 9 miles west of Detroit in Wayne County and is part of the Detroit metropolitan area. Dearborn is the eighth largest city in the State of Michigan with a population of about 100,000 and is home to the largest Arab and Muslim population (over 50,000) in the United States.

First settled in the late 18th century by French farmers in a series of ribbon farms along the Rouge River and the Sauk Trail, the community grew with the establishment of the Detroit Arsenal on the Chicago Road linking Detroit and Chicago.

**Ford Headquarters in Dearborn**

**Henry Ford was born on a farm here and later established an estate in Dearborn, as well as his River Rouge Complex, the largest factory of his Ford empire. He developed mass production of automobiles and based the world headquarters of the Ford Motor Company here. The city has a campus of the University of Michigan as well as Henry Ford College. The Henry Ford, the United States' largest indoor-outdoor historic museum complex and Metro Detroit's leading tourist attraction, is located here.**

**The call to prayer is broadcast five different times during the day over a loudspeaker on top of the American Moslem Society in Dearborn**

**Non-Muslims are not too happy about this very loud noise before sunrise, around noon, in the afternoon, before sunset, and later at night (everyday!).**

**Wait a second – Where are all the women?**

**Non-Muslims are not allowed in the Mosque at all, but if you are a female Muslim, there is a separate entrance and another section (room) of the Mosque where you can worship away from the men.**

**How many Mosque are there in the United States? At least 3186. Here is the breakout:**

<b>California</b>	<b>525</b>	<b>South Carolina</b>	<b>22</b>
<b>New York</b>	<b>507</b>	<b>Colorado</b>	<b>20</b>
<b>TEXAS</b>	<b>302</b>	<b>Iowa</b>	<b>19</b>

<b>Kansas</b>	<b>26</b>	<b>Vermont</b>	<b>1</b>
<b>Wisconsin</b>	<b>26</b>	<b>Total</b>	<b>3186</b>

**As you can see, there are at least one Mosque in every state and a dozen in Washington DC. California and New York have the most with 525 and 507 respectively. There are 139 Mosques in Michigan with nine of these in the Dearborn area. Utah has 15 and Hawaii three. Vermont has the fewest with only one.**

**In 1970, there were 100 Mosques in the entire US!**

### **SOME FINAL COMMENTS**

**Okay, I know some of you will go to a fact checker like Snopes and find out that some things I put in this article are not exactly true. I also went to Snopes and here is why I left some questionable things in place.**

- 1. “Man Refuses Seat Beside Woman Reading Bible” story. Snopes says that this story is “Legend” which means it is so general that it could have happened to someone, somewhere, at some time, and is therefore essentially unprovable.**

**Well, during my extensive research for this article, I found out that incidents like this (Muslims being rude to non-Muslims) occurs hundreds of times every day in the US. Besides, I thought this story was kind of cute!**

- 2. “Advancement of Islamic Agenda for America” sign.**

**This particular sign doesn’t exist. However, the Muslim Brotherhood and other radical Muslim groups have publicly stated that they want to kill all of us infidels. So, the information on the sign is true.**

- 3. “Muslim Brotherhood’s Plan to Take-Over America”.**

**Snopes says that the FBI raid is unproven. However, the plan leaked out and is all over the Internet. I think it is true.**

- 4. My facts and figures.**

**I got my information from multiple sources and it is as accurate as I can make it.**

**Speaking of facts and figures, here are some bits of information that you might find interesting:**

- The Obama Administration issued over 1 million green cards to Muslim immigrants. Obama also wanted to bring in 6 million refugees!**
- Muslims have the highest fertility rate, an average of 3.2 children per woman—well above replacement level (2.1) and also a younger age profile (median age of 24) compared to other religious groups. Today, an American woman, on average, is expected to have 1.9 children.**
- Almost all Muslims are Democrats. With the help of “bleeding heart” liberal Democrats, Muslims are starting to win elections and have many people in several local and national governments.**

- **Two Muslim women, Rashida Tlaib (Michigan) and Ilhan Omar (Minnesota), were elected to the House of Representatives on Tuesday (6 Nov 2018), making history as the first women of their faith to serve in Congress.**

**Muslims praying in front of U.S. House of Representatives. Muslims also pray inside congress, delivering opening prayers to Allah for the Congress men and women who represent the American people.**

- **Overall, there were 8,584 terrorist attacks around the world in 2017, claiming more than 18,700 lives and causing more than 19,400 injuries. While attacks occurred in 100 countries, they were concentrated in five countries: Afghanistan, India, Iraq, Pakistan and the Philippines. Radical Islamic Muslims were responsible for 74% of these terrorist attacks.**
- **In the US, there were 65 terrorist attacks in 2017 - 37 of these were tied to right wing extremism, 11 attacks were tied to left wing extremism and 7 attacks were tied to Islamic extremism.**

- **Muslims world-wide celebrated the 9-11 terrorist attacks on our country. This included Muslims in the US with two of the biggest celebrations taking place in Jersey City, NJ and Dearborn, MI.**

- The Detroit suburb of Dearborn, with a population of about 100,000 people, has more residents on the federal government's terrorist watch list than any city in the United States other than New York which has a population over 8 million.
- The Quran contains at least 109 verses that call Muslims to war with nonbelievers for the sake of Islamic rule. Some are quite graphic, with commands to chop off heads and fingers and kill infidels wherever they may be hiding. Muslims who do not join the fight are called 'hypocrites' and warned that Allah will send them to Hell if they do not join the slaughter.

### **My Conclusion**

The radical Islamic Muslim plan to take over Michigan and the United States will fail! Non-Muslim Americans are a very strong people and we enjoy our freedoms too much to allow any country, religion or radical group to take them away. We have a strong military and don't forget - the large majority of America people are Christians – not Muslims. And if all this doesn't stop them, most of us real Americans have guns that we are not afraid to use.
